FROM

To

Chief

His Highness the Maharaja of Mysore,
~~Department.~~

SIR,

I have the honour to state that from enquiries made during my tour in the Kolar District last week, it would appear that prices of food grains have reached the same level as in Mysore in some British Districts across the border and are even lower in some places. At Bagepalli out-post, it was found that food grains were being imported to Mysore. Ragi was selling at ₹14-8-0 per 90 seers at Hindupur and at ₹16-8-0 for 100 seers at Bagepalli. The price of Rice at Hindupur was ₹23/- for a palla of 90 seers and at Bagepalli ₹25/-.

The situation therefore requires urgent re-investigation; and the Deputy Commissioners of Districts have been requested to intimate within a fortnight whether prices of Ragi, Rice and Jolam have reached the same level in the neighbouring British Districts and whether there have been imports of food grains into Mysore as gathered from the Ookad Statistics, and after verification, as far as possible, by actual test at one or two neighbouring British Shandies.

The Food Controller in Mysore has also been intimated of the above.

I have the honour to be,
Sir,
Your most obedient servant,
K. Chandy
